

Lisa Bottom-Duvivier
 Associate AIA, Associate IIDA
 Principal

Design Principal

Lisa Bottom has over twenty-nine years of experience in the field of interior design and has developed a strong specialization in commercial office design.

Prior to joining Gensler, Lisa formed the Bottom Duvivier partnership. She has led design teams for significant building lobby retrofit projects in San Francisco. Lisa has also served on projects with Morrison & Foerster LLP, Shorenstein Realty Services, L.P., Sega of America, Inc., and Deloitte.

Lisa is also a practicing product designer with several furniture lines currently being produced by national furniture manufacturers.
